

Make a connection: Find a buddy!

Community matching. Communities and Refugees for integration.

**Have you been granted
asylum or subsidiary
protection and need
support integrating in
Italy?**

**Do you want to meet
new people you can
be friends with?**

This is the project for you:
we will put you in contact
with a volunteer - a "buddy" - who
can help you with your journey of
personal growth and integration,
building a relationship based on
trust and offering both practical
and emotional support.

**You can find the help you need
to face the small and great
challenges of
everyday life, opportunities
to speak Italian, and discover
the city with new friends.**
